### The Premises:

Anita's flat is in a large block of flats, entry phone, top floor, luckily door is close to the lift. Bedroom to the left, bathroom to the right, shower was good, plenty of choice. The bedroom is typical Asian, lovely bed, lights dancing over the ceiling, loads of mirrors, very comfortable

### The Lady:

Anita is a delight, small natural boobs, lovely face and body and a lovely bum, her nipples are sensitive and love to be played with

### The Story:

Well, I won't go into detail as the experience is made between the two of you, and what happens is because you match each other, I thoroughly enjoyed my time with her and I will be back as soon as I can
