The Premises:

A modern flat about a 3 minute walk from Baker Street. Lilly greeted me at the front door and took me into the flat.

The Lady:

Exactly as pictured. A busty Chinese girl maybe mid to late twenties.

The Story:

I enjoyed my stay. Lilly was friendly and easy to talk to. The session commenced with us standing and me helping her out of her dress and removing her bra. Her breasts were full and firm. I think they were natural, but they felt good anyway. She gave me covered oral whilst tickling my balls. This felt amazingly good. We then proceeded into sex from behind with me still standing. I tried hard, but couldn't cum so I withdrew, laid on the bed and let Lilly stroke me over her breasts.
