The Premises:

Basement flat near Victoria. Not lush, but comfortable and discrete.

The Lady:

Viva is the definition of MILF, tall, slinky, amazing boom and the most suckable nipples in the capital - oh and her long, flowing, silky hair is just such a turn on. And super smiley and giggly. So, yes, perfect.

The Story:

Viva did as she always does, draped her arms over my shoulders, snogged me, squeezed my cock through my pants and then gave me the most amazing (covered - my request) blowjob. She's the queen of blowjobs as it happens, rolling my knob around the sides of her mouth, deep and shallow movements - I always have to tell her to stop to avoid a too-quick explosion. we then moved to my favourite Viva position, me sat on the end as she lowers her soft, tight pussy in an amazing lap reverse cowgirl - man, the way she moves, her soft perfumed hair brushing over my face and chest as she gyrates and grinds me to an amazing explosion. Awesome - Viva, you're such a fabulous, skilful, joyous fuck!!! After some (always funny) chat Viva then gave me a super soft, properly expert handjob - she REALLY knows how to handle a cock, best handjob on the business in fact and, of course, I came again, a twitching, spasm that felt so good. Viva you're sensational - see you soon! xx
