The Premises:

The usual HOD location near Victoria, upstairs flat, back bedroom. Shower facilities were very nice as usual.

The Lady:

I thought Mixy was a stunning looking lady, beautiful smiling face, lovely natural body, lovely breasts and arse, very smooth skin.

The Story:

There was a bit of a wait for the shower. Mixy entered the room all smiles and greeted me by name which was nice. She was wearing a white outfit which clung to her perfect form, and the silver high heels, her jet black hair left loose and long down her back. She was fresh and clean and moved my hands all over her body in front of the mirror. We kissed and caressed for a while, she was encouraging me to feel her body and enjoy which I certainly did.

We moved to the bed and continued a very relaxed and mutually enjoyable encounter. I availed myself of all positions offered and she also sat on my face and tasted great. She has wonderful kissable lips and a big smile with perfect white teeth.

The time passed all too quickly but I would definitely like to visit Mixy again she was really something special.
