The Lady:

Anastasia. Her profile stats are accurate. She has a slim, tight, and toned body, that of a gymnast, or ballerina maybe, with skin like alabaster. Her breasts are small, firm, and delightfully pert. Very appealing on the eye indeed.

The Story:

Anastasia skipped into the room, like a breath of fresh air. She was chatty from the off, and her English is good. I was instantly put at ease, and aroused in equal measure. Introductions and payment out of the way, she initiated proceedings with some very pleasant, but light FK. I tend to go with the flow, and that's exactly how it went. I don't ask for anything out of the ordinary. She performed all the usual services with enthusiasm and aplomb, like she really enjoyed her work, and I couldn't have been happier. She made all the right noises at the right time, though I'd like to think it was my efforts, she may have been ad-libbing? I don't know. Just one thing, and it was no issue for me, she will bring out a hand sanitiser, and ask that you give your hands a good going over, before getting intimate. As I said, that's no problem for me. All in all, I had a very good time with a pretty young lady, and yes, I would most certainly see her again.
