The Premises:

HOD upstairs flat. Quite small rooms but very clean and well-run with bathroom, shower and plenty of clean towels.

The Lady:

As per photos and even better in the flesh. Lovely, mischievous face with a few freckles and reddish hair. Warm, kind, intelligent and very naughty.

The Story:

Very helpful and friendly maid let me in and there was Kataleya right behind her smiling and welcoming. I nipped into the bathroom for a quick shower and then into the bedroom to the left. We very quickly established a rapport with flicking tongues and naughty talk while she gently began jacking off my cock. Kat asked to take my lead at first but is very intuitive (more so as the punt went on).

She was soon standing in front of me, peeling down her panties and spreading her fantastic arse for me. Things just got better and better from there as we further relaxed and very soon I was lying on the bed as she squatted over my face on the flat of her feet for pussy and bum hole pleasuring. It wasn't long before she was sucking me off most enthusiastically while raising her bottom so I could admire her delicious pleasure centres and her oral skills. She is quite something.

Kat became increasingly pro-active and vocal as I taught her some filthy words which she took to straight away. As per her photos, she knelt on the bed in doggy, arching her back and presenting herself for full penetration. The level of intimacy was now such that my cock was absolutely rock hard and what a sight Kat presented with her tight pussy-flesh squelching round the very base of my cock while she looked back at me and softly murmured filthy encouragement.

She then began doing all the work. I raised my arms in the air while she fucked me; varying the length of strokes, twerking and wiggling her arse on my cock - squelching when she pushed hard to the base. In between this deeply exciting fuck I kept pulling out, licking her pussy and rimming her delightful and increasingly elastic bum hole while she encouraged in words of newly-learned filth. As per my last HOD punt with Angel: as good as it gets.

What I would add is that underneath all this most enjoyable fun and what really made this special is a delightful young woman whose warmth, kindness, desire and intelligence made this a wonderful experience. If only I was thirty years younger
