The Premises:

It's an easy find, equidistant between Paddington and Bayswater. A long walk up to the flat though, so if you don't like stairs you have a challenge. There is a lift, but it is key operated by residents. Nice enough flat inside with all the facilities.

The Lady:

Sophy is very beautiful, young and has a great body. She is the girl in the pictures, but she's not 18, she's 21. I told the agency this, and to their credit, they changed her details straight away. She speaks a little English, but not great. Very sweet and polite.

The Story:

I'm neutral about Sophy because I think perhaps she could be what others want, at the right time. I booked her around midday, and she had been up all night partying and didn't get to bed until 6 am apparently. She hadn't made an effort to get ready for her booking with me, which was disappointing really. She was still in her pjs, but she did look gorgeous still.

To start with, she only allowed a little kiss on the lips with no tongue. She began with some OWO which wasn't that good to be honest. Only the tip, despite my prompting for more. So I quickly moved on. When she got on top of me, this was the best position because she was in control mostly and she rode me really nicely. When I wanted to change to doggy however, she didn't want to do that. So respecting her wishes I opted to jerk off over her boobs, but she didn't want me to do that either. I was beginning to get a bit pissed off really, so asked her for HJ to finish. The services on offer were not displayed onsite as they should have been really, and after speaking with her, she said this was a mistake. I spoke to the agency about it and they sent me a list of what she claimed to do, and Sophy really didn't offer these things. She had clearly sent them a standard list of services and then refused to provide them. The agency couldn't really do anything else to be fair, other than write what she asked them to. At least they have changed her profile now, so others won't be misled.

But still, she is a lovely girl, very calm and confident. We had a nice chat afterwards and I left somewhat happy. Make sure you ask agencies what they offer and always double check with the girl before you pay her.
