The Premises:

Usual HoD flats about 10 mins walk from Victoria station.

Appointment was some time in December, can't remember which date or which flat.

The Lady:

Kat is stunning. A very pretty face, nice medium size natural breasts. A very tight, super fit body. Would guess she's in her early twenties. The pictures on the HOD website are accurate.

The Story:

My first time with Kat, so was a little nervous. But the nerves soon gave way to extreme excitement as she peeled off her clothers to reveal the cutest, tightest little body I've seen in a long time. I kicked off with some oral and ass licking (with a heavy emphasis on ass licking), which led to some 69. Kat's OWO technique was amazing, both in terms of speed and depth. There was also some excellent attention to my balls. On with the parachute for some sex in missionary, cowgirl and doggy. The session ended with some more OWO and a very intense orgasm. A lovely girl and a lovely session. I will most definitely return.
