The Story:

Kris came into the room as I was sorting out the paperwork and taking my coat and shoes off she came over and started kissing my neck and once undressed asked me to go the bed . I was hoping some DFK as previous punters has said they had been given but nothing offered she then used a wet wipe on me before giving me OWO and then wanting to stick a rubber on me so I said I would like to taste her pussy which lasted all of two minutes if that. She then put a rubber on me and climbed onboard for some cow girl but I wasn't really feeling it connection wise .So I suggested missionary and finished off in missionary and then was offered a massage which i accepted and she became a little more chatty talking about Romania and her life out there. Would I return ? Sadly no as although she might be finding her feet still it all felt rushed for my liking and no DFK was a moot point for me .
