### The Lady:

she has dark hair tanned very nice bum great tits and a very pretty face. she us talkative and puts you at ease. her photos are a accerate description of her, I particularly liked her tits. she us around 6ft in height.

### The Story:

she gave me directions which were easy to follow. when she opened the door she smiled and guided me into the bedroom. she was wearing a black bra and a g string. we exchanged monies and I went to the loo. when I came out she had removed her bra. And stood there looking very sexy I got on the bed and she massaged my legs and back. She does a great massage, she ten rubbed her tits over my back and turned me over. She then rubbed my front and rubbed her tits all over my body and in front if my face. So I enjoyed a good suck and explored her body. she then started on my cock and she gas a amazing technique. she felt I was about to explode so slowed down and rubbed her tits all over me again. when I eventually came she drained me and kept going. All I can say us wow.
