The Premises:

A basement flat in SW1, very discreet, very clean, large bedroom with double bed, good bathroom with shower that worked, cant fault the location.

The Lady:

Looking slightly different to photos on site not in a bad way just fuller figured than photos suggest but Marcella is fit all the same with a cracking smile and wonderful full breasts and bum.

The Story:

There was a little confusion with the address, I was directed to the neighbours flat which could have been embarrassing, lucky they were not in but the Agency were great and so was Marcella. After a quick drink, shower and payment sorted it was on with the action.

I was a bit disappointed that Marcella don't do OWO which is a shame as it is something anyone would expect especially at this price. Anyway Marcella was apologetic which she shouldn't need to be and it did make things a little awkward.

The oral was ok and the sex was fun, various positions and Marcella is very enthusiastic and willing to try different things, just not OWO.

All in all I cant fault her attitude and performance and I had a good time but I cant give a positive review due to the slightly misleading photos, they need to be updated, the confusion over the address and lack of OWO.
