The Premises:

Usual efficient Annabella's/HoD booking procedure. Booked the previous day and confirmed the following morning. Upon confirmation I was a bit disappointed to be directed to No.15 as this is the shabbiest flat of all the MK locations. Very poor shower room, the sink is still out of action after at least 6 months, but at least the shower now works, and the flooring in the hallway has been replaced.

The Lady:

Both ladies are as per pics. Fit as fuck with banging attitudes!

The Story:

Having punted with Sarah the previous week who mentioned the she had done plenty of 2 girl sessions with Ella who is my go to WG in MK, I decided to give them both a go at the same time!

On arrival, I was greeted by Sarah who directed me to the largest of the 3 rooms. I asked for a couple of minutes to sort myself out.

On their return to the room, they seemed delighted to find me wearing a leather collar with a chain attached to a cock ring inside my jock strap and a pair of seamed stockings, paired with a tail butt plug. They wasted no time in losing the heels, and started with plenty of 3 way DFK'ing whilst they stripped off their bras and panties.

Ella moved me to the bed, instructed me to get on all fours, whilst Sarah got on to the bed in front of me. After taking a nice hot of fresh poppers, I set about Sarah's pussy like I hadn't eaten for a month as Ella played with my butt plug. After a while, Sarah was keen to move on to the strap on, so her and Ella swapped over and after more poppers, Sarah royally buggered me as I feasted on Ella's waxed haven as she encouraged Sarah to fuck me even harder.

My knees were hurting so we stopped the buggery and had a brief rest. It wasn't long before Sarah and Ella had my cock in their mouths taking turns to deliver some expert OWO. Ella moved up for some DFK whilst Sarah gloved up and introduced her fingers again in to my stretched ringpiece.

With a little encouragement from Ella and plenty of poppers for me, Sarah was once again fist deep in my ass. Ella then upped the game by rubbering me up and started riding my cock whilst Sarah's hand was still in my ass - Fucking mindblowing!!

After Sarah had extracted herself from my ass, I was keen to fuck her, so after a change of rubber, I took her from behind as her and Ella kissed and fondled each other. I could feel the sap beginning to rise so I returned to the bed as both girls set about my cock. The end came with Ella snogging me as Sarah offered her mouth as I blasted man paste everywhere!

After a clean up, I went for a shower and had a chat with Sarah as I packed my bag. Ella had disappeared in to her next booking.

This 2 girl was really good fun and I would certainly do it again with a little more interaction between Sarah & Ella.
