The Premises:

Ego massage is very clean and great place to visit.

The Lady:

Eastern European- Average looking lady.

The Story:

Great premises, lovely maid who shows you to your room.

Worst experience I have ever had was with Scarlet. I would not recommend.

Minimal interaction, just massage with hands. It seemed as she did not like her job.

Don't get me wrong, Ego massage is a great place with lovely ladies. The only reason I did not complain is because of previous great experiences at this place.

I would recommend to choose any lady but Scarlet. Don't be fooled by the pictures as you would regret the experience later as I did.

Service Provider's Rebuttal

The agency writes:

We have reason to believe that the appointment did not actually take place.

Our suspension is that the review has been written by someone trying to tarnish Scarlets image.

Scarlet has in fact recently been the target of several fake no show bookings.

Its very sad really as she is only trying to make a living and clearly someone out there has a grudge against her.

Please can you read previous positive reviews.

I have worked with Scarlet on many occasions and have heard how she is with clients.

Always positive on time smiling and joking very appreciating of the business.
