The Story:

Feeling horny, noticed Helen had cancelled her dates in London, and now had availability in MK. All comms via text, time confirmed, then address sent in text message.

I have seen Helen on several occasions so she knows what I like.

Started with plenty of DFK whilst stripping and groping each other. Helen invited me to get comfortable on the bed before she set about playing with my ass with my butt plug and then her fingers. After indulging in some poppers, she fucked me with a large strap-on in a range of positions.

After a short rest and more DFK, Helen gave me an expert teasing BJ whilst letting her fingers play with my ass again. I was right on the edge for a while before blowing my load.

Helen offered a massage and duly delivered a great massage which had me writhing in both agony and ecstasy as she worked out the knots in my legs and back.

After a shower and chat about the MK punting scene, I left a happy man.

Whilst Helen may not be everyone's cup of tea, I would recommend her to anyone looking for domination, anal play, or simply a good time with a reliable WG!
