The Premises:

There are now only two parlours in Stoke: Fingertips and Diva's Delights. (A third, the dreadful Adele's is occasionally open for business).

Fingertips, a middle-ranking parlour, is comfortable but is less salubrious than Divas which has classier girls and better rooms with ensuite showers. However, Fingertips has put its price up to just £5 below Divas, which is a risky move, given that a better experience can be had at Divas for little more.

The Lady:

Emma is a very pretty local brunette with a lovely figure and nice skin. She is 43, but is in amazing condition and I would have guessed her to be a 30 something. She was last at Fingertips 8 years ago when I was a regular there, but this was our first meeting.

Unlike some working girls who wear an alluring "Ann Summers outfit", she wore a simple shift dress and appeared very much a "girl next door".

She is very friendly, does not watch the clock and is charming and interesting to talk to.

The Story:

When we met, she made it clear that there were no "specialities", which turned out to mean no OWO or anal.

Nevertheless she kisses very nicely and gives very good sex and covered oral. I opted for a 15 minute sampler, but I was well satisfied and shall see her for longer in future.

(Unless, of course, if I decide to luxuriate at Divas!!)

Highly recommended!!
