The Premises:

A modern flat near Lewisham shopping centre. The entry was via intercom and buzzer. The flat was very clean inside and there were shower facilities.

The Lady:

It was the girl profiled, but she was a dress size larger. She had natural breasts with long, suckable teats.

The Story:

The session started with uncovered oral while I was standing. It felt wonderful and it was a shame to proceed to covered sex. I lost my erection a bit when the condom went on so I asked for a bit of covered oral. We then had sex in reverse cowgirl and doggy positions. I've seen a few oriental girls recently and I think I now need a change.
