The Premises:

Easy parking as there is a free car park right outside the building. Cleanliness of facilities is great and showers are good. Been here twice now and felt very relaxed. Two maids that I have met very pleasant and easy to get on with

The Lady:

Jayda is a stunner. Nice tall girl (much taller than me) haha. Nice slim build and lovely firm breasts. Has a curvy arse to die for. Eastern European lady and speaks very good English. Lovely chat and make you feel very relaxed. I will most definitely see her again.

The Story:

Second visit to ego massage and is my favourite place to go for a massage. All the ladies I have seen have been beautiful and very sexy. This time round I met the gorgeous jayda. I was excited to be with a taller girl and she didn't disappoint. Arrive on time and I must say the maid was very chatty and lovely to talk to. I was shown to the room upstairs where I was asked to take a shower. Shortly afterwards Hausa walks in to the room as I am done with the shower. Right away I take a look at jayda and her sexy long pins and I get hard right away. She quickly took off her gown and asked me to lay on my front. Some lovely massage and b2b massage was had and with the odd swipe and tease. She asked me to turn over and more b2b massage with lots of eye contact - so sexy. She also would look at herself in the mirrors whilst sliding which was so sexy. The happy ending was the best I've ever had. She used her nails with sensual touches and it was just heaven. It sounds so much better than it sounds. Thank you once again jayda xx
