The Premises:

Large ground floor flat in a terraced property a short distance from Paddington station. Nice bathroom, and a generally clean and comfortable flat

The Lady:

Olive is of small build, just over five foot, and has a natural firm young body. She is in her early 20s, with a really cute, pretty face, and a lovely and ready smile. The photos on her page are good, but in the flesh she is even better.

The Story:

I was greeted with warmth and a lovely smile, and instant kissing and cuddling. Then off for a erotic shared shower. Then back into the bedroom for an incredibly enjoyable session of kissing, mutual oral, rimming and sex.

Olive is very new, but has learned fast. She delivers her services with genuine pleasure and enthusiasm. I am really looking forward to seeing her again.
