### The Premises:

Easy parking, not busy, discreet-ish. Clean, friendly, welcoming, comfortable. I'd have preferred more chillout type music than the dance music being piped through, but I didn't distract.

### The Lady:

OMG. Wow. Her face is blurred out in her photos, but I can't describe just how incredibly pretty she is. She has a beautiful smile, and amazing eyes.

### The Story:

I called at short notice, but was pleased to be offered 30 mins with Zara. How I wish it could have gone on forever!

Besides being jaw droppingly gorgeous, she was ever so friendly from the start. I was just towelling off when she entered the room.

The massage was a stunning mixture of very good therapeutic massage and teasing fingertips. I've done this a few times and had some good ones, but this was the best by a very long way. I can't imagine it being better. The eye contact and cheeky smiles leading up to the finish were just incredible, and really made it what it was. There was just enough conversation, friendly and fun, but not annoying.

I got the sense that she really enjoyed her time and I thoroughly enjoyed her company. We parted with a lovely kiss on the cheek.

I'll be back, and may never go anywhere else again.
