The Premises:

Usual place behind the betting shop in Bletchley

The maids were very lovely

Made me a lovely cup of tea that I never finished once I saw Roxy in the flesh

The Lady:

Short 5ft 1 sex goddess

Then woman is drop dead gorgeous with a perfect figure 8

The Story:

At first sight I said you look 10 times better than your pics!!

She blushed and said so what do you like - handed her the paperwork and before I could explain

She was on the bed on all fours sucking my weapon

Plenty of saliva and emotion

I got on the bed and she started to deep throat

She stopped hopped over so I could lust over her perfect tattooed ass

How many times do you want to come she said - I said in 30 mins I think that'll just be the once!!

I thought it only fair to return the favour ... she then said oooo you know what your are doing looking up to the heavens

Slowly we were in sync whilst I liked that beautiful midsection of hers

She then said oh no I think im about to cum lol but it's against my religion (that was just a test for me) lol

So I carried on my quest

After the finish I went on top and she was so involved ready to climax

She then came on top and rode it like a rodeo much to her delight the goddess said ohhh I just squirted on you!!

I'll spare you the rest of the detail but I finished in doggy position and the bed was pounding against the wall to no end!!

We finished - laughed and joked and I asked her to return once more because the experience was sublime!!!

She Looked me in the eye and said maybe with the cutest smile!!

Amazing time with a perfect person!!! Obrigada
