### The Premises:

Nice clean apartment in Central MK near the Hub, quiet and easy to get in. Nice surprise here - I was met at the door by Ella (I think) who was completely naked, so I had a great view as she escorted me to my room.

### The Lady:

Mina looked gorgeous in sexy blue lacey underwear - matching bra and panties. She has a sexy curvy figure with nice tits and a gorgeous round arse.

### The Story:

Mina came into the room after I stripped down to a towel, she greeted me with a deep french kiss, very passionate and I got to explore her body, her huge tits and her sexy round arse.

Mina began stroking my cock whilst we were kissing, and in no time I was rock hard. I was away from the wife for a few days on business, and well overdue a really good cock sucking, Mina dropped to her knees and took my cock in her mouth. She has really full lips which she makes the most of when your cock is in her mouth.

We then moved to the bed and I returned the favour by licking her pussy and arse hole, she really started squirming with pleasure as I licked her tight little arsehole, it tasted amazing. We continued like this for a good 10 minutes, with Mina moving to sit on my face at one point, smothering my face as I licked her bum hole.

Eventually we were ready to fuck, so she jumped on top and we snogged deeply as she rode my cock, Mina was whispering dirty talk into my ears as we fucked deeply. We changed round to missionary and carried on the kissing and fucking until I shot my load.

Had a nice chat as we cleaned up, and I headed off, a very happy punter. Highly recommended.
