The Story:

Happened to be heading up the M1 for work so took a detour to Mk. No time to book in advance so opted for a walk in at short notice. Jules answered the door and let me in. Pretty girl and I thought about seeing her before deciding to do a bit of window shopping and seeing the other girls. Aylin next, pretty and a nice smile. Then Lissa walked in looking amazing in turquoise lingerie and heels. Wow decision made, had to see her. Formalities out of the way and plenty of introductory kissing and fondling ensued before stripping off and heading to the bed. More kissing before oral without and then 69. Had to ask Lissa to slow down or things may have ended too quickly. Plenty of time to explore and kiss Lissa's fabulous body. Large natural breasts, cracking legs and the most shapeliest of backsides. Sex in multiple positions with plenty more kisses before Lissa finished me off by hand over her ample chest. Had a few minutes left so chatted briefly before heading on up the motorway a happy boy. One absolutely delightful lady. Amazed she hasn't more reviews.
