The Lady:

Nice tall ebony lady very similar to the pictures on her profile i was surprised

The Story:

She came to the room wearing a nice orange lingerie and high heels she is a tall lady with great curves and fantastic blow job lips together with natural massive boobs

I couldn't wait to play with them.

We started with proper snog full on then i asked her to go down on me and god she can suck very sloppy plenty of saliva running down my stiff cock and on my balls which she also like to suck and licked for ages then going back to deep throat my cock.

I'll ask to kiss my cock and she did with her perfect blow job lips.

I couldn't wait to fuck her got her on the few stairs in the entrance of the room one pillow for the knees and one for the head her round ass up and i pounded her for good 10 minutes she was moaning with pleasure so i couldn't hold no more and i came so loud.

Thank you chanel can't wait to see you again soon
