Usual location in southern MK

The Lady:

Tall and busty Romanian with dark hair. I would estimate age to be around 28.

The Story:

Thought I would sneak along for a quick lunchtime treat to see this new girl working in MK on her first day.

Started off with some closed lip kissing standing in front of the mirror. Amber has got a great pair of overgrown titties, but have to say her bum is not as big and curvy in relation to the rest of her body.

Soon found myself groping and sucking on those big boobs, boy they felt heavy! Amber then gave me owo on the bed, which was good, but not up there with some of the best girls in MK.

We then moved onto mish and then cowgirl, which provided the wonderful sight of Amber energetically bouncing on my cock, while her big boobs flew!

Good addition to MK
