The Story:

Never met. Scam run by man named Michael O[redacted]. Add is fake.

Asked to pay in advance so I guess I was asking for it. As soon as I had there was a problem a disabled sister and a care giver who needed paid £500 on amazon gift cards! Offering to pay me back in cash on doorstep.

I didn't buy any gift cards. Sent anon report to police which they will ignore.

Service Provider's Rebuttal

Admin's note: No genuine provider will ever ask for money in advance. Don't fall for it!
