The Premises:

Much reported on: a large cottagey-type building in a commercial area, and perfectly safe, especially as boss Shannon has ever been keen on security. Close to Birmingham Snow Hill station.

The Lady:

Bella is slim, and is nice and tight. I'm hopeless on ages, but I would guess late twenties /early thirties. Lily is one quarter Chinese, and is a bit older;. also a bit shorter She is curvy, and now has blond hair. Both have enhances boobs.

The Story:

This was an amazing experience. One week previously, I had a great session with Tiffany, and we were discussing other WGs whom we had known, but especially Lily, whom we had known at Blue Ice, quite a few years ago, and (Tiffany, more recently) at Coventry's Paradise Girls. When I 'phoned the always most helpful Penny earlier this week, with a view to deciding on a session later, she informed me that Tiffany was going to be absent on Friday, but that Bella would be working with a "Lily". Pulse racing, I enquired whether this Lily could possibly be the Lily whom I had known previously, and Penny confirmed. I asked her not to tell Lily my name, so that, when the two girls came up the stairs, it would be a complete surprise to her to see me. It worked a treat, and it was great to see Lily again. Within about one minute, she was on her knees and performing a fantastic OWO. At the same time, I was having a good session of DFK with Bella, while also getting her tits out and having a good feel.

They both undressed completely, and I asked them to lie side-by-side on the double bed, open-legged. This gave me an opportunity to play with their clitties and to discover how juicy they were. I then fucked them, in mish, one by one, having changed the rubber. There then followed a long session of turn-and-turn-about, with me lying on the bed; one working on my cock and the other on my lips and tongue. Oh yes, and there was a fair bit of OWO from both of them at the same time, too. I came with Bella downstairs and Lily upstairs.

Considering that these two had only just met a few minutes before this, it was an exemplary performance, and everybody seemed to hit it off perfectly. I am now looking forward not only to a

2G with Lily and Tiffany, but (rare treat) possibly a 3G with them and Bella, wallet permitting. They're that good, and I cannot recommend them too much.
