The Premises:

The well-known first-floor flat a short walk from Victoria station. A comfortable and well-organised place with good facilities.

The Lady:

April is a truly lovely young Romanian woman in her early 20's. She is of medium height, very pretty, with a good figure and small cute breasts.

The Story:

I've been waiting to see April for a while, and as soon as I saw she had returned from her holiday I didn't hesitate in making a booking. As soon as she walked in the room, with her lovely smile and knockout body, I knew the wait was worthwhile.

April was warm and friendly throughout, and I had a really good time with her, enjoying the full range of sexual pleasures.
