Bunny looks very much like her photos on annabellas website, petite, slim nice tan and pretty face.

The Story:

This was my first time with an escort after many months of deciding of whether or not to do it, finally made a booking to see Bunny as was impressed with photos on website and definitely made the right choice!

Arrived at flat, and buzzed to be let in. Was greeted at the door by a different but very pretty working girl who showed me into a small but quaint room. Ask if I would like a cold or hot drink while I wait (asked for water), closed the door behind her. Left waiting nervously for a few minutes as not knowing what to expect. Could hear some girls voices from the corridor so placed the money on the bed side table ready and to started to think about whether to take my clothes of ready, took off my shoes, socks and trousers ready but still waiting for my water so didn't want to take everything just incase. Eventually another girl enters the room also incredibly pretty! (Definitely going back to see her.) she ushers me into a different room. Thank goodness I didn't take my pants off felt a bit embarrassed but she seemed unfazed.

The new room was much bigger with some big mirrors on the walls which I thought was a nice touch. Was offered another drink by this new girl(which also never arrived)... A few minutes later Bunny arrived looking absolutely gorgeous in pink laced two piece and red high heels, gave me nice warming smile and straight into DFK which took away all my nerves straight away. Stood by the bed for a few minutes just kissing while she gently stroked my cock and my hands explored her body. Off came my t-shirt and undies.

We then proceeded to the bed where I got to take her bra and pants off and went down on her where she made all the right noises and seemed to enjoy. After I apparently made her cum (not sure if she was being true full) she then returned the favour with OWO with great technique, all mouth very little hand. I then asked for 69 which she was happy to do e with some great face

sitting(my favourite!) where made her cum again (this time I believed as could taste it. Some more DFK the came the rubber where we started with cowgirl with great technique. We then switched to missionary before ending in doggy with her massaging my balls which made for fantastic orgasm for me.

Only 40 minutes on the clock but I knew I was done and happy with what I got Bunny cleaned me up and fetched a glass of water, we chatted for 10 minutes mostly about the other girls at Annabellas I liked the look of...

Was eventually offered the shower which meant a short hop across the hall whilst naked, where we bumped into the first girl that let me into the flat, Bunny also still naked confidently started having a chat with her, telling her how good I was and that I should come a try her out as she is very good. Kind of kinky to be stood in hallway whilst two very attractive chatted... After shower I went back to the room, put clothes back on.few more kisses with Bunny and on way.

Fantastic GFE with a very beautiful lady and will be a returning customer. After trying out some of the other girls at annabellas first!
