### The Premises:

An easy fine in Knightsbridge. Cosy inside, small but nice. Great facilities and made to feel at home.

### The Lady:

Silvia is the girl in the pictures. There is some photoshopping going on, but it's nothing to get into a twist about, she is the same girl and there isn't a massive coverup. Silvia has a great, real woman figure, with curves. But she's not overweight at all. Nice big boobs and a very pretty face and smile. She was dressed to impress in a matching basque, knickers and bra. She speaks very good English, and she's very confident and quite funny. Had a great time.

### The Story:

Silvia was very relaxed and very attentive. When she took off her bra I had to collect my jaw from the floor. Her boobs are nice and big. They're not perky, and do not stand up on her chest, but they are natural and feel wonderful. When we fell to the bed and she took my cock in her mouth, it was great to feel the weight of those boobs and their softness. Her OWO skill is wonderful. She went down fast and twisted her head at the same time, nice and wet. Then she alternated with nice slow and deep strokes. She can get it all in too, which is good for me.

I would have had her sucking me off for the entire session, but Silvia took the initiative and reached for the condoms. After which she got on top and let me play with her boobs some more. I moved into her first for a while, but she encouraged me to let her take the lead, and I'm glad I did. She rode me like a pony. Switched to missionary with some lovely tit grabbing and passionate kissing, before I unloaded inside her. A wonderful session.

We spent a while talking on the bed, she is very easy to talk to, and very witty. She after a while she asked if I wanted to go again. These days I don't often do that, so I declined. However, after talking to her and stroking her naked body gently, I decided to give her a little massage. And would you believe it, I was hard again. She turned to me and smiled, and said "do you want to come in?" She reached for a condom and passed it to me, and we were off again whilst she laid on her front. Felt amazing. I was very close to exploding a second time, but sadly ran out of steam. I turned and allowed her to jerk me off all over her tits.

A great girl and a must see before she leaves.
