The Story:

I git to the door got in and was greeted by Melanie in a see through top. I couldn't take my eyes off her boobs. she smiled took me to the bedroom. and we did the Financials. and I went for a shower. I then came back and jumped on her proper massage table. she gave a great leg massage and touched other bits. she then took me to the bed and covered me in oil and started to rub herself all over me. eventually she turned me over and started rubbing me all over and then started to rub my cock wow great hand job. while I played with her tits I exploded. she cleaned me up. and I left a very happy man great session. thanks Melanie can't wait to visit again.
