The Lady:

Profile and pictures were accurate, although I got the impression from profile that pussy wasn't fully shaven, which it was. Clea is Romanian 23 years old and has been working as escort for past 4 years in Scotland and new to London she has good English and I found her slight Scottish accent very cute. A very pleasant personality and is caring and sensitive you you and your wants and needs. She is playful fun and very sexy. Gets very wet and juicy and loves her job.

The Story:

An Uplifting amazing experience, Clea opened the main street door and walked me up the stairs to her room took off her dressing gown to reveal a sexy stockings and top outfit. we got the payment done and Clea totally put me at ease, she is experienced & confident, caring & gentle yet dynamic with it in love making. We kissed caressed and slowly undressed each other. and wow such an amazing arse and pussy with divine scent/smell and taste, we then slowly massaged each other and went into body to body massage which evolved into missionary in different positions. One of the most fun uplifting escort experiences I have had for a while. Left extremely happy and in very high spirits, would definitely return and would highly recommend this escort.
