The Premises:

Flat in Bletchley town centre. Parking was a little bit difficult, plenty of street parking but seemed to be 1hr only and didn't want to risk getting a ticket, eventually found a long stay car park less than 10 minutes walk from the flat so worked out well. Flat itself is fairly discrete providing locals aren't aware of what goes on in here but you do have to walk up some outdoor stairs and wait on an open balcony with view of the main road until someone opens the door. Once inside seems to be a clean well kept flat with decent sized rooms.

The Lady:

Anais has a very beautiful face, honestly don't think the photos on the website do her any justice! A few nice tattoos, not too many. I'd guess 5'7 tall. Nice figure, long legs, slim but not toned, bumps in all the right places! I'm bad at trying to guess bra sizes but for me Anais boobs were perfect, not too big not too small.

The Story:

This is might sound quite mixed review but purely based on my own mistake. Trust me Anais was incredible!

So I'll explain the situation before I get into the raunchy details.

I visited one of the annabellas lady's last weekend which was my first visit to any escort and having two free weekends in a row, it was my plan that if I had a good time, I'll be returning the following weekend.

I already knew who I wanted to see, Jess! She looks stunning on the website... but a spanner was thrown into the works on my first visit when I caught a glimpse of Anais, just gorgeous! So when I came to making my booking I couldn't decide who I want to see Jess, Anais, Jess, Anais... there are too many gorgeous women work at annabellas! Can't decide so fuck it, only live once so booked both. Jess first then Anais hour and half later.. This was a mistake as turns out I don't have as much stamina as I thought! Eyes bigger than my balls I guess! Jess was great but I have chose to write a review for Anais, as I say She was incredible!

Was let into the flat by Annais, not wearing anything too erotic, trainers tight leggings and tight top,

sporty kind of look. Asked who I'm here to see. "You!" Pleasantly surprised she then introduces herself and leads me upstairs to one of the rooms. Straight away I could tell she has quite a bubbly, friendly personality. And I really liked that mixed Romanian/French accent she has, really exotic sounding.

She then leaves the room to get ready while I get naked and brings me a water. On her return she is now wearing a just a bra and nice tights, no pants. Straight into nice gentle kissing, she lovely soft lips, she then turns around to allow me to take her bra off revealing her nice perky boobs with both nipples pierced. Never Been with anyone with pierced nipples so had to have a suck. She then offers to start by giving me a massage, which happily accept. It was a nice enough massge but nothing too special, she then asks if I would like to massge her. "Would I!" Her turn to lay on her front while I give her a massage, she then turns over so I can massage her front and have another suck on those nipples. I then start to work my way down, at this point I realise her clit is also pierced. Another first for me. After a few moments of going down on her she then offers to swap... Oh my god! Straight into deep throat owo. I thought I had experience deep through before but nothing like this! She was going the whole way down the shaft, gagging and spitting. Without a shadow of a doubt the best bj I've ever had! I then asked if we could 69 where I got to lick and play with that beautiful, pierced clit.

Few moments later she then puts the rubber on and we start with cowgirl, again she knows how to move while on top, starting to think I'm not going to last long at all here! And then she offers to go into a different position, me on top this time, get in! She lays on her belly and this is where things took a turn for the worst for me, after the previous appointment earlier in the afternoon, the little fella just ran out of steam... Gutted and slightly embarrassed. Never the less Anais wasn't fazed by this and offered for more owo. Again amazing! In no time he was awake again and ready to go, back on with a fresh Jonny but as soon as we get ready he loses steam again.. Why is this happening?! Anais was Apologetic even though she had no reason to be, totally my fault! Anais then goes back to that incredible deep throat. Soon gets hard again. Just felt so good every now again stopping for air but carrying on with a very wet hand job then back with deep throat. I could feel myself getting close and she must have noticed this too and started to ask, " would you like to cum on my bod..." Too late!! I don't know how she did but I had the most insane, intense orgasm I've ever had!! Never felt anything like it! My whole body was shaking!! Must have lasted for over 10 seconds... I don't think she realised just how intense that was for me as she was still apologetic about not trying more positions, but as it turns out I still had a great time! We then ended the session with me giving her another back massage and we had a nice chat about Romania and tattoos... Overall fantastic way to end two fantastic weekend with 3 incredible annabellas girls! Where do they find these women!!

Bit disappointed with myself but will definitely be going back! Next time to see just Annais, or maybe a threesome!
