The Story:

I phoned on the day to arrange a 2 girl booking with this pair of friends who were available at the premises for first time together.

Hayley answered the door with her cheeky smile and showed me to the room where Riley was waiting.

Once paperwork was completed I knew I was in for a good time as they both had the devil look in their eyes to take control and both are cock hungry and their dual blow job took me to heaven and back. Something that should be on everyone's bucket list.

Both ladies took it in turns to ride my cock in cowgirl and reverse cowgirl watching their boobs flap in my face and fantastic arse was a sight to behold.

An amazing time was had by all with how out of breath we all were and how wet someone got.

These two work amazingly well together and have a great chemistry and well worth visiting when they are together.

See you soon bfg.
