The Premises:

Apartment in The Hub area of MK.

Plenty of paid parking all around.

Having been buzzed in, the session could not have gotten off to a worse start. Jumped in the lift, got to the correct floor only for the doors to fail to open and a "This lift is Out of Service" message to appear.

Pressed the alarm to no avail (Apple must have wondered where the hell I had gotten to!).

Eventually I managed to get the lift to move up another floor and luckily the doors opened and I was able to escape and make my way down the stairs to finally get to the apartment.

Suffice to say at the end of the punt I took the stairs down!!!!

The Lady:

Beautiful Asian girl, early thirties.

Maybe not as slender as the photos appear to suggest but believe me you wont be disappointed.

The Story:

This was my fourth meeting with Apple in probably as many months and as she has become a firm favourite of mine.

One thing I will say about Apple is she jumps straight in with DFK before you can almost get into the room and this time was no exception.

I've discovered over the last few months that we have a number of things in common (I'm not going to divulge here!) and this leads to great conversation and laughter.

Having just come from a previous 90 minutes with Jess, Apple took no time at all in getting me hard again almost immediately.

The session comprised of lots of DFK, OWO (Apple's OWO is to die for!) with plenty of DT. A bit of cowgirl and HJ added in made it another mind blowing session.

Apple's OWO is so good I couldn't wait until the end and just had to cum - and I did after only 60 minutes with CIM.

This left us with 30 minutes during which we have a great conversation which I enjoyed just as much - well, nearly as much :)

Anyone who hasn't had the pleasure of experiencing a truly amazing OWO needs to get to see Apple at least once.
Apple, if you read this thanks again for another memorable experience.
Until next time.
