The Premises:

Vicktoria was working out of a four-Star hotel in a busy, but safe part of town - hardly anyone around when I was there mid-afternoon. Straight through reception hall to the lifts (no one taking any notice of me), and up to Vicktoria-heaven! ;))

Nicely appointed, spotlessly clean and tidy bedroom, with a good shower, nice toiletries and big, fluffy towels – pretty much as you'd expect in a four-Star hotel.

The Lady:

Vicktoria is a simply stunning-looking woman, and a complete 'fantasy MILF'! As often, she's better in the flesh, but the pics on her AW webpage are actually OK. They are definitely her and really give you an idea of what she's like. She's a 'Rolls Royce' of an escort; a classy and intoxicating mix of 'proper-posh' English (complete with cut-glass accent - hence her AW name of 'English Vicktoria') and 'classic' Italian dusky-sultry brunette beauty! And her gym-toned body – one of the flattest, wash-board stomachs I've ever cum across – and magnificent 'mammaries', are beyond belief!

Vicktoria greeted me, as requested, in killer heels and two tiny, almost-there, bits of 'nonsense' masquerading as a bra and G-string – a jaw-dropping, cock-erecting fantasy-vision! Soon had her down to nothing but the heels – which she kept on, quite spontaneously, all session – good girl; I lournve that! ;))

Vicktoria's smart, sassy, sensual, spiritual, educated, erotic, intelligent, tender, passionate, GREAT fun, GREAT company, beyond sexy – the list goes ON!

And although Vicktoria is sheer class, she is also 'class-less' - strikes me as a woman who would be equally at home sipping Moet and nibbling on canapés in the Royal enclosure at Ascot as she would be necking a beer and a burger at Wimbledon dog track – THE perfect 'English Companion'! This fabulous woman is one in a gazillion!

The Story:

Yooo-oh-oh-oh-ooooh - this sex is on fire!" roar the Kings of Leon (in 'Sex on Fire').

Chanced upon Vicktoria completely by chance when she came up as a 'suggestion' for escorts in the Bayswater area, and I was 'taken' by the photo of her squatting by the bath, naked except for heels, which is a look I find such a turn-on. And Vicktoria lived up to expectations! I've been waiting to use the Kings' lyrics in an escort Review for some time; but not really had the appropriate 'encounter' to merit them; until this session with Vicktoria!

But, guys, unfortunately, Vicktoria made me promise that my review of our outrageous carrying's-

on would NOT be too 'graphic' – and I gave my word - sorry! :((She says that each 'encounter' is unique between her and a client, so what applies to our session may not represent, or be desirable to, what happens with another client (fair enough, really!).

Suffice to say that during our particular session Vicktoria was one of the naughtiest, not-quite-PSE (she doesn't profess to be, nor want to be, a porn star – although she could easily be!), sex-on-legs women I have EVER cum across (escort or otherwise) – I couldn't keep my hands off her, or my cock out of her! It was ridiculously riotous and raunchy rumpy-pumpy a-go-go! Vigorous, often expletive-ridden, often creased-up-laughter-accompanied, OWO-ing, DATY-ing, wanking and FULL-on fucking! Seems like the only limits to what you and Vicktoria might get up to are your stamina and imagination – but she has more than enough of both to get you through! And ... THE BIG THING is that she's great FUN and absolutely LOVELY – I felt I was with a much-adored, VERY fuckin' naughty and VERY fuckin' loving, girlfriend. This sex had indeed been on fire! Check her out, guys - can't imagine you'll be disappointed. :D x
