The Story:

I booked Nancy last year and had such a great time I decided to fit in an overnight while staying in London this week. She remembered me and was really pleased to see me. What's more she dressed just as I liked playing the young cute housewife. This time with the added surprise of stockings and suspenders and no knickers!!! This was a dream of a night and not much sleep was had! She was also the perfect dinner guest and made very good company. A perfect way to end what was quite a short trip with all that is going on in the world. Nancy is highly recommended and was even better on a second date.
