### The Lady:

Described on the site as a 'girl nextdoor type' blonde hair, size 10 5"6 probably correct. Stated age of 30's correct. I thought she looked much younger though and had a fantastic figure which could easily belong to someone in their 20's.

Key think with Angelica is her personality, very Emily and friendly right from the start and slightly kooky which I want expecting.

Angelica is Czech and had a cute accent

### The Story:

Have wanted to see Angelica for sometime and was pleased to find her working at STB on a day I was free.

Arrived at 2pm and paid the house fee to the lovely maid who took me through to meet Angelica who greeted me with a warm hug and led me to the room (executive room which has a shower, jacuzzi, massage table and large bed).

Angelica offered me a shower and started to run the water for the jacuzzi while she went to get me some water.

Angelica was really chatty the whole time and those weird first few minutes soon disappeared. She returned with my water as I came out of the shower.

Angelica offered me a massage but suggested the bed as she prefers there to the table, Often girls massages are quiet soft which is fine in this setting but generally I prefer a hard massage. Angelica started gently rubbing oil all over me which quickly became a body 2 body massage which felt great with her sexy body sliding over me.

Gradually the pressure grew as she kept interchanging between hard massage and intimate kissing on my body.

Soon we were onto some mutual oral - Angelica is great at this and it went long until I came.

We relaxed for a while before picking up where we left off with more fantastic owo from Angelica before sex including cowgirl, soggy, moss and spoons. After a while we needed a break so caught our breath before going again with the same positions.

Angelica is a fantastic partner and I couldn't get enough of running my hands across her sexy body as we fucked.

Sadly (despite her fantastic efforts!) I had to concede another eruption was seeming unlikely and we headed for the jacuzzi.

We chatted for a while which was really nice (and Angelica still tried to encourage me to cum one more time as we did!)

Eventually time was up (I think we might have overran a bit) and we chatted more as we dried off and got dressed.

Can't recommend Angelica enough - really lovely pretty girl with a fantastic body who made me feel like a king!
