The Premises:

Fairly discreet entrance from the car park. Rooms are clean and warm with a paper covered massage table.

The shower was a bit awkward to use - it cuts off after c. 15s so had to keep pressing the button.

The Lady:

Scarlet is in her twenties and has a slight accent (maybe Romanian?).

She is about 5'6" and slim but with large firm breasts. Extensively tattooed but still very attractive.

The Story:

Scarlet stripped while I did likewise then waited while I had a quick shower.

Then on to the table for a massage with oil that quickly started to involve more and more genital stimulation. Then turned over for a lovely breast to cock massage, while my hand was very firmly placed upon her pussy - she didn't like my initial reluctance to touch. After that I was able to enjoy myself touching her breasts and nipples and pussy to my heart's desire. Eventually, 5 minutes before time expiry I was brought to a comprehensive release.

An excellent experience.
