The Premises:

A nice enough place in a building I've been to before. Spacious and tidy. Good facilities etc.

The Lady:

I think Bety is probably in her late thirties, but she looks terrific, with a great body. Very naturally beautiful face, and lovely eyes. She doesn't speak excellent English, but she gets by fine. She is welcoming and friendly. Her body is slim, she has enhanced boobs (but pretty well done), and she looked terrific in an see through white blouse opened to reveal her bra beneath. A tiny skirt and hold up stockings and heels. A real good looking mature lady.

The Story:

She was a little startled when I arrived. Because of the street noise, I'm not even sure she buzzed me in, or if the door was just open. Anyway, got to her door and knocked and she came and told me to wait a couple of mins as she wasn't ready. Bit disappointed, but she soon returned. When she did it was clear she doesn't need long to get ready! She has on a great outfit and looked fabulous. After the paperwork and shower I returned to take a good look at her. She stood before me and allowed me to strip her piece by piece, admiring her body. She's very fit.

We began some very natural feeling DFK and moved onto the bed where she moved down to perform some pretty damn good OWO. She sucks firmly and pretty deep. Her mouth was wrapped tight around my cock, but she kept things nicely wet so it still felt amazing. Had to have her before I came in her mouth, so on with the condom and into missionary where we went at it for some time. She is very flexible and likes to spread her legs far apart. She put them around my neck and one point and allowed me to go real deep. I whispered in her ear that I wanted to cum on her face and in her mouth and she agreed. Went at it some more and whipped off the condom as she sat on the edge of the bed with her mouth open looking straight at me. Jerked all over her and she took my cock into her mouth just as I was finishing off. Sucked me clean and disappeared to the bathroom with a smile.

A brief chat afterwards, quick shower and out. A good service, from a lovely woman.
