The Story:

I booked a session with Kimberley and was sent the details of her location and my requests for the type of outfit all of which she managed. I arrived a little late as I couldn't find the location as there was a block of flats opposite which i thought might be where she was but this was soon sorted with a call . On arrival I was given a cup of tea and a shower and sorted out the paperwork . We then engaged in some DFK and fondling before she suggested a 69 and then on with a rubber for missionary doggy and spooning before a bj and hand job to finish .Would I return without a doubt for a hour next time . Kimberley is great and she really enjoys her job and is smart funny and beautiful inside and out .
