The Story:

Helen has a body and face that you won't forget anytime soon. Although domination appears to be one of her specialties, I opted for a slow, sensual GFE. It was perfect, and possibly the most enjoyable and natural experience I've ever had with an escort.

The kissing was gentle yet passionate, and then I moved on to taste her sweet, juicy pussy. She was very responsive, and I loved hearing her softly moan and her body shake as I made her cum (or at least I believe I did - it certainly felt real).

It was magical seeing her kiss my cock and take it deep in to her mouth while occasionally looking at me with those stunning green eyes. I had to ask her to slow down, as I was very close to exploding at one point.

Helen loves being on top, and it was wonderful seeing those stunning breasts bounce up and down while she was riding me. She certainly knows how to move those hips!

I then turned her over to finish, and she wrapped her arms and legs around me while tightly squeezing my cock with her pussy. This must be Heaven!

We chatted for some time afterwards. Helen is lovely to talk to, and her English is flawless.

I'm happy I booked her for an hour, so that we could take it slow and get to know each other a little more. I can't wait to be back!
