As described in numerous other reviews.

The Lady:

Sarah - A lady of refinement, reportedly in her 30s, fully shaven, with perfect teeth and large breasts with a body (and lips) that many younger ladies will give their right arms for. The photos on HoD's website provide a very good impression of what to expect.

Mixy - her profile describes her as being of mixed east Asian/Latin heritage, 30 something, 36D sized breasts, 1.58m tall and dress size 8 all of which seem entirely plausible to me. What it doesn't do is convey how stunningly attractive she is - she's gorgeous.

The Story:

It's been a while since my previous punt owing to my continued compliance with government advice to keep my distance. But with government advice changing to promote the return to a greater degree of normality, the need for a quality gfe punt moved to the top of my list of priorities.

I'd seen Sarah a couple of times previously and knew that she'd provide an excellent experience but when I went to book, the lovely maid suggested booking Mixy as well as they would work well together. So I booked them both and I'm so glad I did as I had the time of my life. The session was a bit like a fast roller coaster ride where everything happens so quickly that I knew I was having a fantastic time but can't remember the detail. All I can specifically recall is that there was plenty of dfk, owo and ro with both ladies playing an equal part culminating with Sarah giving me owo to completion while I was dfk'ing Mixy. It came as no surprise that the climax was extremely long and powerful even by my standards.

Afterwards, I felt an sense of extreme wellbeing which for me is the most reliable indicator of a top quality punt.
