The Premises:

Usual place next to Ego Massage in Fenny Stratford. Parking was easy.

The Lady:

Wow About 5.6 lovely pert breasts and squeezable bum. Hair is shorter than in pictures but really suits her and I have a thing about girls with short hair.

The Story:

I was a bit taken aback when Eva came into the room as I wasn't expecting the short hair but it really suits her. She has a beautiful body which she loves to flaunt, as they say, if you've got it flaunt it.

We lay on the bed and enjoyed a chat and some really good French Kissing. we then chatted very naturally, I had the same name as the guy in front of me who had not been particularly nice to her and we laughed about that, I kissed my way down her body to the small "Landing Strip" neatly prepared. Using my tongue was a delight and Eva responded very well not sure if she came but it felt like it. Up for a breather and quite a few more laughs including whether working girls should have a place to review punters!! Then back down again and I am pretty sure I hit the right notes this time. I am not good at the sex bit but Eva has an amazing mouth and I very nearly came in her mouth but decided I want to come on her breasts. This I did in a pretty explosive manner.

I have to say this was probably the best punt I have ever had and I have never laughed so much with a girl before. If you read this Eva I was the nice one!
