### The Premises:

The modern high rise flat was located near South Quay DLR. It was really tricky to find despite Google Maps.

### The Lady:

A lovely petite Romanian girl with a lovely bum and C cup shapely breasts.

### The Story:

When I first saw Viki I thought wow! She was wearing black underwear including black hold up stockings. That made such a difference. The session was very enjoyable and enhanced thoroughly by Viki's very gentle and friendly nature. I was given ample to time to fondle her lovely body. She gave me covered oral and was happy to caress me to a suitable erection. We then had sex in doggy position and that gave me even more time to caress her tight little bum.
