The Premises:

I got a cab hard to find but eventually got there. very sparse alarm bells started to ring when I saw mattress on the ground,

The Lady:

5 ft 10 course voice I thought she had taken something. she us nothing like the photo's. she had a nice ass and kefs but you could see she has been a bigger girl lots of foods not great. it took a bit of encouragement to get her tits out,

The Story:

all I can say was terrible, I have seen over 30 girls over the years and she is the worse. I had a shower and got on the bed she started to suck my cock and asked me to play with it. I said I have just paid you to play with it. she ducked some more and asked me to cum but u said I paid you for the hour. she played with me again sucked a bit more.
and then said there is someone comming get dressed. I got dressed and asked her for my money back and she said you had a shower. so I left what a terrible punt, don't visit boys she is a disgrace.
