The Premises:

Easy to find with on-street parking nearby. The parlour is on London Road at the east end of the city. I suggest approaching from the east if possible to avoid the city, which can be very congested at times.

The Lady:

Lovely firm body with an all-over tan, gorgeous tits and completely shaved pussy. Her pictures on the site are genuine, but don't show her face and I understand why, but it's a pity because she is a very pretty lady. She's from Liverpool with that wonderful scouse sense of humour and full of fun. I'd guess that she's about 5'3" tall and 30ish. Half an hour in her company would have been a treat even without any sex!

The Story:

It's been several years since I've been active in my naughty hobby. I'm getting on a bit and the old john willy is nowhere near as perky as he once was, so I felt that I was past it, though I really missed the girls. Anyway after all the covid restrictions I thought sod it, hard on or not I'm not going down without some more memories to linger over in my dotage. This was my first punt after the break, and I felt quite nervous, but you can't stay nervous for long with Summer. I wasn't up to having sex but more than made up for it in playing with her lovely body, rubbing baby oil over all her naughty bits, and watching her stand over me and squirt - what a great sight for the wank bank! She couldn't have cared less whether I performed or not, she was just anxious that I had a good time and wow did I have a good time. The decision to continue was the best I've made in a long time, I'm just kicking myself for all those wasted years. If you pay Summer a visit you certainly won't be disappointed.
