The Premises:

Large flat about 3-5 mins walk from Edgware Rd tube station. The place was clean with a modern bathroom, with a decent shower and plenty of hot water. Olive's bedroom was spacious with a comfortable double bed.

The Lady:

The photos of Olive on the website are recent and accurate. Olive is a good looking, petite, young Thai lady (in her early 20s). Very cute indeed :).

The Story:

Olive greeted me with a nice tender kiss and a hug and lead me to her bedroom where she assisted in undressing me and offered me a soft drink and the option of a solo or shared shower. I opted for the shared shower. After we showered, Olive proceeded in providing a very good GFE experience which started off with lots of passionate kissing, then onto giving me a BJ. Her BJ skills are good which includes deep throat and gentle ball licking. After several minutes of this, I then offered to lick her pussy, which she was happy to receive and ate her pussy until she came. Olive has a nice, sweet pussy which is a joy to lick. We then had a quick break to recover, and then proceeded with more passionate kissing, then Olive got me hard and we had sex in various positions i.e., cowgirl, mish and then doggie (I believe doggie was her favourite position). After I came, we had a break to recover and a nice conversation. Olive's English is very good and she can hold a decent, intelligent conversation (and she is a bit of a chatter box - but in a nice way). After we recovered, we then went for round two, which was more of the same passionate GFE encounter and just as enjoyable as the first round.

All-in-all Olive is a great girl and I look forward to seeing her again soon. She is highly recommended and deserves to be treated well and with respect. She is an absolute little diamond. :)
