The Lady:

Her photos don't do her justice! She is a stunning, striking vision of beauty and sexiness. Tall and toned, with the most incredible proportions: perfect natural D cup breasts, small waist, round hips and long, slim legs. Her fiery, wavy ginger hair flows down her shoulders, framing her beautiful young face (she doesn't look older than 22). Her skin is flawless white, like alabaster. She reminds me of a young Jessica Chastain... Or Helen of Troy! She moves and talks with a lovely grace that really makes her stand out even further (if that's possible). Her English is also perfect, and she's very well-spoken.

The Story:

It was my first time at House of Divine, and I was quite nervous. I asked Helen for a slow, gentle GFE, and she was amazing. I'm not going to go into the details, but she made me feel very relaxed in no time. It was all vanilla, but it was exactly what I needed. I may be braver next time and ask to experience her tie & tease specialty.
