around 5ft 5 blonde with a big smile lovely all over tan. Amazing natural breasts. She is sexier in real life. Really nice to talk to.

The Story:

I opted for the tantric massage, she massaged my back and then my legs worked her way back up and started to kiss my neck she then reached under and started to play with my cock. And all this while massaging my back with her amazing breasts. She then flicked me over and started rubbing her breasts all over my body and face. she rubbed her pussy off me and then sat her shaved beautiful pussy on my face. which tasted great I continued to lick her and she started to ground her pussy against my face she was obviously enjoying herself. she then moved down and ground her pussy against my cock and in the middle of all this excitement she did owo. and then on with a condom and rode me like it was the last time I eventually shot my load she cleaned me up and we spoke she was in no hurry fir me to leave. what a girl can't wait to visit again.
