The Premises:

This lady Abigail Gleave insisted on a deposit to be paid before appointment due to time wasters. I paid this, she asked for £30 and I then went to the postcode she provided by text. How ever once at the postcode she no longer replied to txts and stopped communicating. So I went home. It seems this person is a con artist, the fact she has no feedback rating supports this - be warned!

The Lady:

Who knows I will have to guess!

The Story:

Ripped off/ conned - so not the best - lesson learned

Service Provider's Rebuttal

Admin's note: No genuine service provider will ever ask for money in advance of a meeting. Don't fall for it.
